

Designation of Beneficiary for KTRS Life Insurance Benefit

Full-time members of the Kentucky Teachers' Retirement System (KTRS) are covered by a life insurance benefit provided by KRS 161.655. KTRS statutes permit an active or retired member to designate a beneficiary to receive the life insurance payment. If a beneficiary is not designated, the life insurance benefit will be made to the member's estate.

You may name **only** ONE person, funeral home, a trust pre-approved by KTRS or your estate as your PRIMARY BENEFICIARY. Additionally, you may name **only** ONE person, funeral home, a trust pre-approved by KTRS or your estate as a CONTINGENT BENEFICIARY to receive this benefit in the event your Primary Beneficiary predeceases you.

This section may be used to designate a beneficiary for **only** the life insurance benefit and is not affected by or contingent upon the beneficiary/beneficiaries named for your retirement account. If you are a retired member of KTRS and selected an option that includes a monthly payment to a beneficiary in the event of your death, this designation does not change that beneficiary.

Upon receipt, the completed form will be placed in your KTRS file. Please complete legibly and in ink, retaining a copy for your records. State statute requires that if you have a living spouse and you designate someone else as your primary beneficiary, the spouse must sign below to acknowledge he or she is not named as the primary beneficiary.
