## TOBACCO/VAPE USE INFORMATION

Check the applicable box below

I have used tobacco products/VAPE during the prior 6 months.  Yes  No

**Note:** Tobacco products include cigarettes, cigars, chewing or pipe tobacco or any other tobacco products regardless of the frequency or method of use

By signing this form, I certify the following:

1. I have truthfully checked the Yes or No box that accurately reflects my use of tobacco products/VAPE in the prior 6 months.
2. I understand that tobacco products include cigarettes, cigars, chewing or pipe tobacco or any other tobacco products/VAPE regardless of the frequency or method of use.
3. I understand that if I currently use tobacco products/VAPE and stop using tobacco products/VAPE in the future, I will be eligible for the lower non-tobacco user rate the month following the receipt of a new Tobacco Use Affidavit certifying that I have not used tobacco products/VAPE during the prior 6 months.
4. I understand that if I fail to complete this Affidavit truthfully ECU may adjust my premium charges retroactively for the applicable higher tobacco-user rate. Upon written notification, I must reimburse ECU any amounts reduced from my premiums for the period for which I falsely certified eligibility for the non-tobacco user rate.
5. I understand that if I state on this form that I do not use tobacco products/VAPE, I may be asked at a later date to supply a certification from my physician that I am not a tobacco/VAPE user.
